Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, read with SEBI Circular No. CIRJCFD/CMDI/44/2019 dated March 29, 2019.

To,
The Board of Directors
National Steel and Agro Industries Limited
Indore

We have reviewed the accompanying Statement of unaudited standalone financial results of National Steel and Agro Industries Limited, (the company) for the quarter ended June 30, 2021. The Statement has been prepared by the Company's Management pursuant to requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the listing regulations"). This Statement is the responsibility of the Company's management and approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Performed by Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatement.

A review is limited primarily to enquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

1. The company has accumulated secured debts (inclusive of interest & net of payment) amounting to Rs.1,503.68 Crores which was classified as Non-Performing Assets (NPA) by the banks. The banks have also issued notices to the company and Directors with intent to classify them as "Willful Defaulter".
2. One of the lenders has declared Company and its Directors as Willful Defaulter. Two lender banks have issued notices to the Company and its Directors with intent to classify them as "Willful Defaulter". The Company and its Directors have respectively replied to the said notices.
3. One of the financial creditors and some of the operational creditors/parties have filed application/ petition before the NCLT/NCLAT/Supreme Court under Insolvency & Bankruptcy Code against which the company has adopted legal recourse.
4. IDBI Bank Limited, State Bank of India, Union Bank of India (Earlier Andhra Bank), Central Bank of India and Bank of Maharashtra (collectively hereinafter referred as "Banks") through joins assignment agreement, as assigned its debts extended to the Company to JM Financial Asset Reconstruction Company Limited ("JMFARC") along with all underlying securities, rights, title and interest thereof on 31st March, 2021.

Material Uncertainty Related to Going Concern

We draw attention regarding preparation of financial statements on going concern basis, which states that the Company has incurred losses, its liabilities exceeded total assets and its net worth has been fully eroded as on June 30, 2021.

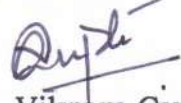

In the matter of alleged unauthorized use of electricity, the supplier Madhya Pradesh Paschim Kshetra Vidyut Vitaran Company Limited (MPPKVVCL) discontinued the power supply and initiated the recovery proceedings for Rs.103.61 Crores by attaching the banks accounts of the company under the provisions of MP Land Revenue Code, 1959. On account of non-availability of power, the production was suspended for some days. The Company has adopted legal recourse and in discussion with the supplier for payment of outstanding dues.

As stated, these events and conditions, along with other matters, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in this regard.
